Roseann Wright was sworn in and stated that she has an evil sister who is trying to get her license taken away. Roseanne Wright stated that she told her sister that I'm no longer working out of my home and the complaints have stopped.

Investigator Amber Bingham testified that on September 27, 2018, Board office received an anonymous complaint alleging that licensee was performing eyelash extension out of her home and that licensee also advertises on social media. Investigator Amber Bingham conducted online research for "The Eyes Are It" through the GL data base and found owner listed as Roseann Wright. On October 22, 2018, Investigator Amber Bingham went to residence of Roseann Wright and presented a copy of the complaint and Roseann Wright informed the Investigator of the following: Roseann provides lash extension for friends and family only, receives calls from people asking for the service and turns them away as she knows that she can't do services from her residence. Investigator Amber Bingham explained to Roseann Wright if she wishes to continue providing esthetic service out of her residence the residence must be a licensed establishment and explained how Roseann could obtain a salon license application.

Assistant Attorney Marc Harris stated that consistent with your revisions to the original consent agreement that was presented to the licensee, the Attorney for the licensee responded to the Board in a letter which each of you have and what they wanted to do is avoid the consequences of their unprofessional conduct by dropping the school down to a nail tech school and therefore not having to comply with the terms of the consent agreement. Mr. Harris stated he did not believe that would be acceptable to the Board however we wanted to bring this before the Board to get authority from you to let them know that this is the consent agreement you may sign and the case is resolved and if not this case will proceed to a Formal Hearing.
